My name is Antonio Lorraine Palmer
and I am person who was convicted

to 1 yr supervised probation and a court order to pay the Court

for an extension. This letter is the Test

90 day extension. My finances have

charged significantly and I am

trying to get this approval so I can

pay off the bill 6 1/2 yrs when I

I receive my taxes back. I am however

Still going to school to get rehab and alcohol -

free. Judge ~~off~~ ^{be} of you to grant me

this last extension because with school

and a child I can not afford the maximum

fine or jail ^{help me} Mr. Anderson

and again I am sorry for my childish acts of

drinking and driving. I/ don't usually

make stupid mistakes but I
am human. I can only use this
as a learning experience. I
haven't had any prior run-ins with
the law so all of this is fairly
new to me. I know it's my
responsibility to pay my court cost
and I will. I just need more time

Thanks in advance
